I'm going to cross at the traffic light. The traffic light, the traffic light.  
And I'm going to wait for the red light until it's safe for me.

Look Left, right, left. Left, right, left.  
Before crossing I make sure that I look left, right, left.

I'm going to look for cars coming. Listen and look for cars coming.  
I won't cross with cars coming, 'cause that's not safe for me.

I'll walk all the way across. I'll listen and look for moving cars.  
If you're there I'll hold your hand. I will be a safety star!

Safety star! Yes, you are!  
Cross with me and you will be a safety star! Hooray!
